Table with columns for dates and numerical values. The first column contains dates in DDMMYY format (e.g., 08012022 to 08312022). The second column contains numerical values, often with currency symbols like PKR or INR. The third column contains dates in DDMMYY format (e.g., 2023-02-06 to 2023-08-19). The fourth column contains numerical values, often with currency symbols like PKR or INR. The fifth column contains dates in DDMMYY format (e.g., 2023-02-08 to 2023-08-19). The sixth column contains numerical values, often with currency symbols like PKR or INR.
